

Boat excursion to the Archipelago

Wednesday August 13

Departure at 10.00 a.m. from Nybrokajen with m/s Waxholm III.
Expected return to Nybrokajen at 21.00.

Nybrokajen is the quay along the U-shaped water close to Nybroplan. Nearest subway stop is Östermalmstorg, exit Stureplan. There is also good bus connection to Nybroplan: for instance bus 62 and blue bus 2 serve Norrmalmstorg, one block from Nybroplan.

Waxholm III lies in front of Strand hotel, on the opposite side of the water as seen from the Dramatic theater.

Participants staying at Best Western Time Hotel will be guided to Nybrokajen by a member of the conference staff. We meet in the hotel lobby at 9.15. We will walk one block up the hill along Vanadisvägen, cross Norrtullsgatan and take blue bus 2 at 9:27 from the bus stop on the right side of Vanadisvägen and get off at Norrmalmstorg.

Our boat will travel through the Stockholm harbour and a large part of the inner and middle archipelago to the island Svartsö. Expected arrival to Svartsö is 13.15. Participants are expected to take lunch at Svartsö according to their own choice. There is a restaurant 300 m from the landing stage and just beside the ship there is a small café and a shop where one can buy food. A picnic place with tables and benches is located 200 m from the ship. Close to the picnic place there is a beach for open air swimming. There is also a variety of walking paths on the island. More information will be provided upon arrival. Our comfortable ship will be staying at the quay, so those who prefer can relax, work, or have mathematical discussions on the ship, indoors or outdoors.

Drinks (coffee, tea, soda water, beer, etc.) can be bought at the ship's bar during the cruise. However, no food will be served on board on the way to Svartsö, so participants are advised to bring some fruit or snack to survive until arrival to Svartsö.

The island Svartsö is about 8 km long and 2 km wide and has 85 inhabitants wintertime and about 800 during the summer.

During the cruise back to Stockholm a buffet dinner will be served.

The organizing committee welcomes you on board the Waxholm III and wishes you a pleasant visit to the beautiful Stockholm archipelago!
