## Welcome to the Master's Programme in Mathematics!

You are receiving this e-mail because you have been accepted to the Master's Programme in Mathematics, jointly organised by KTH and Stockholm University. **Please find attached a letter from the program coordinators.**

If you applied to the second round, with deadline in April, remember to **reply to your offer at [universityadmissions.se](http://universityadmissions.se) or [antagning.se](http://antagning.se) by July 26**. If you fail to reply on time, you will lose your place.

If you applied to the first round you do not need to reply to your offer, but if you have changed your mind and do not intend to attend the programme, please decline your offer at [universityadmissions.se](http://universityadmissions.se) or [antagning.se](http://antagning.se).

AUG

### Mandatory meeting, 10.00-12.00 August 22

There will be a mandatory registration, followed by lunch, and then a meeting for new programme students to get to know one another, and also to present some practical information.

Place: [KTH, room F2](#)

### Stockholm Mathematics Centre

On the website of Stockholm Mathematics Centre (SMC), you can find information about research areas, colloquia, conferences and events, and seminars. Links: [Website](#) and [Calendar](#)

### How to find us

The Department of Mathematics at **Stockholm University** is located in Kräftriket, by lake Brunnsviken, south of the main campus at Frescati.

The Department of Mathematics at **KTH** is located at Lindstedtsvägen 25, at the KTH main campus.

Maps and directions: [SU](#) and [KTH](#)

### Contact

**Programme coordinators:** Maurice Duits, [duits@kth.se](mailto:duits@kth.se), and Yishao Zhou, [yishao@math.su.se](mailto:yishao@math.su.se)
